

Why give?

How you decide to give is a spiritual practice between you and God, and has a direct impact on how we live into our mission as a spiritual community.

With so many demands on your attention and resources, what does supporting St. Aidan's mean to you?

How can you generously give of your time, talents, and treasures?

What kind of giver are you?

Regular Pledger

Your annual and regular pledging allows us to plan strategically and responsibly.

We are grateful that you recognize the importance of returning a portion of all the gifts that God has generously bestowed upon you.

As a leader in our parish, your support has made a direct impact on what we have been able to accomplish as a community.

Even a small increase in your annual pledge can make a big impact.

First-time Pledger

Are you new to St. Aidan's or have you been attending regularly?

Regardless of how you found us, we are glad you are here.

Each year 100% of what we do as a community occurs because of financial pledges from you.

A "pledge" is a financial promise you faithfully agree to honoring over a 12-month period.

Most importantly a pledge is a spiritual covenant between you and God.

Consistent Giver

Consistent givers are often members or regular visitors that routinely contribute financially to support St. Aidan's, but have not yet filled out a pledge card.

If you are a consistent giver, we greatly appreciate your support and hope you consider completing a pledge for 2023.

This will allow us to better plan ministries, initiatives, and dream big.

When you pledge, we help you track your giving by sending quarterly statements.
